Lunch, Afternoon "high" Teas

Every day can be special for you and your friends. Afternoon "high" Tea is the social tea time to celebrate relationships at the Old Town Cozy Tearoom. Come and enjoy the traditional MEAL of three varieties of sandwiches per person, soups and toppings and dessert. Linger the afternoon time between 12 - 4pm. Let us pamper you. Celebrate anything you wish but this is a special tribute to family and friends.

There is considerable preparation time in advance; so we need reservations 12 - 24 hours ahead to make your teatime special.

Some brides have used this as a "thank you" occasion for mother and mother-in-law to create a special oasis in the middle of the wedding preparations. What thoughtfulness!

Let us know what your special occasion is or even just for the fun of it.

Tea Tastings are FUN for All

A TEA TASTING party is a fun way to experience the 5,000 year history of tea, harvest, steeping and traditions. Out of 8,000 variations of teas all from the one *Camellia sinensis* tea bush you will find variety never imagined in fine teas. Call for a reservation for your own party

of fun and learning. We need a minimum of six guests. If you wish to join another smaller group, let us know. We are open Thursday - Saturday and other days by arrangements. 316-262-3195

Irene's Teas, etc...

The move to the Old Town Cozy Tearoom is complete. April 1st we closed the ten year history on the tearoom and restaurant in Lindsborg, making the move to Wichita. We are enjoying to reception and the diversity of the market.

We continue to have our on-line shopping cart at www.irenes-teas.com and ship anywhere. Our "Master Tea Blender" seeks out value for quality and money at the tea estates and purchases our teas for us in China, India and Sri Lanka. She then blends to our specifications and we make them available directly to you.

Tea selections are also available at the Cozy Tearoom gift shop in Wichita.
